

PUBLIC NOTICE

EXTENSION OF THE PERIOD FOR RENEWAL OF CLEARING AGENTS' LICENCES FOR 2018

Please be advised that the Zimbabwe Revenue Authority (ZIMRA) has extended the period for renewal of Clearing Agents Licences for 2018 to 31 January 2018. This has been necessitated by the challenges being experienced with the Automated System for Customs Data (ASYCUDA) World system.

All clients whose applications have been approved are encouraged to go ahead and pay the 2018 licences fees through their respective ZIMRA stations.

Please be advised that all active Clearing Agents whose applications for renewal of licences for 2018 are still being processed by ZIMRA will not be de-activated on the 31st of December 2017 and may continue to provide clearing services as usual up to 31st of January 2018.

All agents who still have outstanding obligations should continue to engage the respective ZIMRA stations to clear their outstanding obligations by the 31st of January 2018.

Paying taxes and customs duties on time and in full builds and dignifies Zimbabwe.
